# Woodlands for Life

[www.zerocarbonharrogate.org.uk](http://www.zerocarbonharrogate.org.uk)

Woodlands provide  
ecosystem services  
upon which all life relies  
for sustenance.

# ...result in twin crises

## ZERO CARBON HARROGATE

Reforestation is an effective way of addressing this twin crises.

The Northern Forest project will bring many benefits to our district.

## Zero Carbon Harrogate

Dedicated to making the Harrogate District net zero carbon in order to secure a sustainable future.
